*Tuition rates are specific to the days of the week they correspond to on the list above. If a child regularly attends on different days of the week other than the above listed options, tuition is charged at the rate posted that includes each of the days the child usually attends. For example, if a child regularly attends Monday, Wednesday, Thursday, the M-F rate applies. If they regularly only attend Monday and Wednesday, the MWF rate applies. Tuition is on a weekly basis (not monthly), and cannot be pro-rated daily. Due to full enrollment, we are unable to make exceptions outside of the options listed above.

***Days of enrollment are based on current availability
